General Information

The World Irrigation Forum represents the premier event in the calendar of the International Commission on Irrigation and Drainage (ICID), bringing together global leaders in the field of water management, irrigation experts, and representatives from international and national financing agencies and governments. The upcoming forum, designated WIF4, signifies the fourth edition of this significant event, which is to be co-organized by ICID and the Malaysian National Committee on Irrigation and Drainage (MANCID). The event is scheduled to take place in Kuala Lumpur, Malaysia, from September 7th to 13th, 2025.

The forum will feature exchanges on the latest irrigation and drainage policies, practices, innovations, and technologies, the development of interdisciplinary proposals, collaboration among various institutions and organisations, and advocacy for political commitments. It will provide an excellent platform for professionals to showcase their peer-reviewed work to experts in agricultural water management.

The forum is to be held at the World Trade Centre in Kuala Lumpur.

Further discussion to this effect can be facilitated by contacting the WIF PCO Office.

Exhibition Opportunities

The exhibition constitutes an integral component of the 4th World Irrigation Forum (WIF4), the purpose of which is to showcase the latest advancements, technologies, and solutions in the fields of irrigation and water management. The exhibition will be held at the Tun Razak Hall 4, World Trade Centre Kuala Lumpur (WTC KL), which boasts excellent exhibition facilities. Coffee breaks will be held in and around the exhibition area to maximize interaction and participant engagement.

Who Should Exhibit?

The 4th World Irrigation Forum (WIF4) invites exhibitors from the following sectors:

- **Irrigation and Water Technology Providers:** These are companies that offer irrigation systems, equipment, water-saving technologies, and solutions for efficient water use.
- **Engineering, Consulting, and Research Institutions:** Organisations and institutions that specialise in the management of water resources, the development of infrastructure, and the research of sustainable irrigation practices.
- **Government agencies and non-governmental organisations (NGOs):** Policy makers, regulatory bodies, and organisations promoting sustainable water governance, conservation, and agricultural practices.
- **Agricultural and Agro-Tech Industry Players:** Producers, cooperatives, and companies providing tools, technologies, and solutions to improve water efficiency and crop productivity.
- **Technology and Sustainable Solutions Providers:** The developers specialise in the design of smart irrigation systems, IoT solutions, sensors, water recycling technologies and other innovations for sustainable water resource management.

The Following Advantages are Offered to Exhibitors:

- Two exhibitor badges (for access to the exhibition hall only).
- One additional complimentary full registration, which includes access to all three days of forum sessions.
- Exhibitors are invited to the welcoming dinner, which could be an opportunity for networking and meeting other professionals in the industry.
- The list of exhibitors will be included in the official program book, giving them visibility among attendees.
- Access to a significant national and international niche market.
- Maximum exposure during the morning and afternoon breaks in the Exhibition Area.

Exhibition Booth

- The dimensions of the structure are as follows: **3m(W) x 3m(D) x 2.5m(H)**.

Booth Allocation

The allocation of exhibition booths will be made on a **first come, first served** basis. Exhibitors must clearly indicate their preferred booth choices in the booking form, providing three alternatives. Upon submission of the exhibitor booking form, an invoice will be issued. To reserve the booth, exhibitors must pay 50% of the total amount along with a signed exhibitor agreement, or opt to pay the full amount upfront. Payment must be made within one (1) month of receiving the invoice; failure to do so will result in the booth being released to other exhibitors. The remaining 50% must be paid by 30 June 2025, unless the full amount has already been settled earlier.

Exhibitor Registration

It is imperative that all exhibitors are duly registered, and they will be issued with a badge that displays the name of the exhibiting company. Each booking will entitle the booth holder to two complimentary exhibitor badges and one full registration. Any additional exhibitors will be subject to an exhibitor registration USD 250. The exhibitor registration form can be found in the exhibitor's manual.

Technical Exhibitor Manual

A technical manual outlining all technical aspects of exhibiting will be circulated two months prior to the forum. The manual will include the following:

- Technical details about the venue.
- Final exhibition details and information.
- Contractor details.
- Services available to exhibitors and order forms.

Site Inspections

Visits to the venue will be organised prior to the forum. These visits will be pre-scheduled. The dates for these inspections will be communicated to all parties once a contractual agreement has been reached.
